

## Whadaya Say?

### All

Whadaya say when someone starts the season right?  
Whadaya say when someone makes the season bright?  
Who'd have that a man like him could ever be so nice.

### Solo

It makes you want to kick your heels and thank him twice!

### All:

Whadaya say to such a kind and gentle friend?  
Whadaya say when he stuck with us to the end?  
You've got to think of something to show how good you feel.  
So whadaya say? Whadaya say?  
Whadaya say?

### Tenor/Bass:

Whadaya say?  
Whadaya say? Whadaya say?

### Solo

And then go on to say we'll miss that kindly touch.

### All:

That good old fellow's made our day.

### Solo

Let's give a cheer

### All

Hip, hip, hooray!

### Solo

Sad, he couldn't stay. That's what I can say.

**All**

I could say it makes me want to stand and cheer.

**Solo**

And I can say I almost wish that he was here

**All**

And when you've said it all you can top it off by saying,  
Thank you very, very, very much, we thank you very, very much!  
Thank you, thank you,

Thank you, thank you, thank you, thank you,  
Thank you, thank you, thank you, thank you, thank you, thank you,  
Thank you, thank you, thank you, thank you, thank you,  
Thank you, thank you, thank you, thank you so very much!

**Tenor/Bass:**

Thank you very, very much,  
Thank you very, very, much,  
Thank you very, very much!

**All**

Whadaya say when someone starts the season right?  
Whadaya say when someone makes the season bright?

I can start by saying thank you very much.  
And then go on to say we'll miss that kindly touch.

**All**

Always so misunderstood  
Now he's done it, jolly good!

**Solo**

Such a lovely thing  
Makes me want to sing.

**All**

I could say it makes me want to stand and cheer,  
And I can say I almost wish that he was here.
